Part I: Multiple-Choice

1. Thomas Jefferson's Presidency
2. Louisiana Purchase
3. War of 1812
4. Industrial Revolution
5. Moving Westward and new transportation
6. Life in North versus life in the South

Part II: Short Answer

Sample Short Answer Questions

1. Explain the goals and policies of Thomas Jefferson when he came into office.
2. Recount the exploration of the Louisiana Purchase by Lewis and Clark. Why did they go? What did they find?
3. Evaluate the Embargo and Nonintercourse Acts of the Jefferson administration.
4. List the reasons War Hawks felt we should declare war in Britain.
5. John Quincy Adams, American delegate to the peace conference that ended the war of 1812, was quoted as saying "Nothing was adjusted, nothing was settled." Explain what he means. Give your own point of view.
6. How did the early Industrial Revolution change America?
7. Contrast the points of view of John C. Calhoun, Daniel Webster, and Henry Clay. Whose side are you on? Why?
8. What is your position on protective tariffs? Explain.
9. What is the Monroe Doctrine?
