

Regents Global History and Geography 9  
May Examination 2008

Class 9B has its exam 20 May.  
Class 9H has its exam 21 May.

Study Chapters 16, 17, and 20 (We studied chapter 19, but it was completely addressed on the April essay.)

Topics: Renaissance, Reformation, Commercial Revolution, Scientific Revolution, Enlightenment

There are only 5 questions, but it is anticipated the responses will be somewhat lengthy.

1. Describe the Reformation and Counter-Reformation movements. Explain the effect on Europe.
2. Explain the major ideas of the Enlightenment. Include at least 2 philosophers. Relate how their ideas affected Europe.
3. Explain the major ideas of the Scientific Revolution. Include at least 2 scientists. Relate how their ideas affected Europe.
4. Describe the economic innovations of the Commercial Revolution. Include a discussion of mercantilism.
5. Contrast the “social contract” of Hobbes, Locke, and Rousseau.
