

Name: _____

Academic Year: _____

Quarter: _____

Class: _____

You are receiving this notice because your participation grade has been changed. Participation and attendance are assessed at 10% of your grade for Social Studies. This is to recognize effort and cooperation. This grade is assessed once per quarter, usually around the 5 weeks. If your participation grade has been reduced, this form explains why. **Serious consideration should be given to making changes that would increase this mark. Your participation will be looked at again at report card time.**

Attendance Adjustment:
 -12 for 5-8 absences
 -25 for 9-12 absences
 -40 for > 12 absences

Class Preparation You are observed to be consistently prepared for class sessions every day: you have writing utensil and necessary papers and books. You are ready for the quiz most days.	You often have the materials you need for class: needed books or papers or writing utensils. You should work on being more consistent.	You rarely have the materials you need for class: needed books or papers or writing utensils. This seriously interferes with your success.	You practically never have the materials you need for class: needed books or papers or writing utensils. This seriously interferes with your success.
