Survey — Scan the text from start to finish; Look at the pictures; Look at the titles; Read paragraph; Read last paragraph or summary at end; Read any questions at the end of passages

Question — Turn the title and subtitles into questions; Turn the first and/or last sentences into questions; Turn the pictures and graphs into questions; Look for words in bold and their meanings.

Read — the text actively and deeply; Generate additional questions; Note things you think are hard to remember; Apply fix-up strategies to things that you find hard to understand

Recite — If you wrote down your questions, try answering them without the book; Glance at the book whenever you need to; Recite the answers aloud or in writing.

Review — Within 24 hours, briefly review what you have read. Summarize the information aloud or in writing. Talk to someone about it. Draw pictures.
